What to look for:

Detailed Directions:

When attending a booking with Rhonda's Readings, you will be required to make your way to the following address: 78, Woodfords road, Reserve Creek, NSW.

Please do not rely on being able to ring me for assistance with directions as I am not contactable during working hours.

Also please do **NOT** use Satnav devices as some roads in the area are no-through roads.

If you are coming from Murwillumbah Town Centre:

- If you are coming from **Murwillumbah** town centre, drive out of town, heading towards Tweed Heads,
- Drive over the bridge across the **Tweed river**,
- At the roundabout, take the first exit to the left, heading towards **Tweed Heads**,
- You will pass **McDonalds**, then 2 petrol stations on your right hand side,
- You will then come to a roundabout with a **Take Away** food shop to your left,
- At this roundabout, take the first exit to the right, which is **Quarry road**,
- Travel a short distance down the road then veer to the left which is **Reserve Creek road**, (if you drive over the small white bridge on Quarry road, you have missed the turn)
- Stay on the road for approximately 10 kms, driving through the small suburb of **Kielvale** , up a steep hill, over the top of the hill, then winding down the hill, as the road flattens out,
- Pass the **Palmvale road** intersection on your right, then approx. 2kms on your left is **Woodfords road**, (if the road you are travelling on **Reserve Creek road** turns to unmade road, you have missed our road by 500 metres.)
- Turn left into **Woodfords road**,
- Travel 900 metres up the road, driving over the creek crossing, you will then arrive at a T intersection, (which is still **Woodfords road**)
- Do not turn left, do not turn right, directly in front of you will be a large gum tree and just to the right of it a gate with a sign with the number **78** and a **fairy** on it.
- Please drive down the driveway, park at the bottom of the driveway under the 2 carports in front of you,
- Please walk around to the front glass door, where I look forward to meeting you.

Magical Blessings !!

Rhonda.
