Detailed Directions:

When attending a booking with Rhonda's Readings, you will be required to make your way to the following address: 78, Woodfords road, Reserve Creek, NSW.

Please do not rely on being able to ring me for assistance with directions as I am not contactable during working hours.

Also please do **NOT** use Satnav devices as some roads in the area are no-through roads.

- When you have passed the Tweed Valley Way exit and are now on the Pacific Highway heading south towards **Byron Bay / Ballina**, (traveling approx. 4 kms)
- you will be driving through the tunnel overpass, (keep traveling approx. 5 kms)
- exit the highway at the **Cabarita Beach** off ramp, which is at **Clothiers Creek road**
- as you leave the off ramp, you will drive through the first roundabout, veering to the left and you will now be heading towards **Cabarita Beach** on the **Clothiers Creek road**, please **DO NOT** turn right and drive over the highway, as you will be going the wrong way.
- (Traveling approx. 1.5 kms) you then turn right at, **Watty Bishop road** (traveling approx. 2 kms)
- Follow the road up to the T - intersection which is **Round Mountain road**, it is marked with a sign pointing to Murwillumbah to the right.

- Turn right, follow for approximately 500 metres to **Woodfords road** on the right-hand side.
- When you have entered **Woodfords road** you will not see any houses, only horse paddocks,
- Travel 900 metres up the road, driving over the creek crossing, you will then arrive at a T-intersection, (which is still Woodfords road)
- Do not turn left, do not turn right, directly in front of you will be a large gum tree with a fairy sign with **78** on the fence to the left of it and just to the right of it, a gate with the number **78** and a fairy on it. (there is also a gate post to the right with the brass number **78** on it)
- If you arrive early for your appointment, please **Do Not** drive through my gate and down my driveway until 5 minutes before your appointed time. Also, please **Do Not** wait under the two gum trees at the top of our driveway as they drop branches, perhaps go for a drive or park down the road and then drive

down my driveway 5 minutes before your time, I have buzzers, and cameras and will know you are there, so please wait in your car, and I will come out and greet you.

- I ask again, that you please print these directions off, as Navman's or other GPS devices may take you to blocked roads around here, and you will not be able to contact me for directions.
