## What to look for:

# Detailed Directions:

**When attending a booking with Rhonda's Readings, you will be required to make your way to the following address: 78, Woodfords Road, Reserve Creek, NSW.**

Please do not rely on being able to ring me for assistance with directions as I am not contactable during working hours.

Also please do **NOT** use Satnav devices as some roads in the area are no-through roads.

## **If you are coming from Murwillumbah Town Centre:**

- If you are coming from **Murwillumbah** town centre, drive out of town, heading towards Tweed Heads,
- Drive over the bridge across the **Tweed River**,
- At the roundabout, take the first exit to the left, heading towards **Tweed Heads**,
- You will pass **McDonalds**, then 2 petrol stations on your right-hand side,
- You will then come to a roundabout with a **Take Away** food shop to your left,
- At this roundabout, take the first exit to the right, which is **Quarry Road**,
- Travel a short distance down the road then veer to the left which is **Reserve Creek road**, (if you drive over the small white bridge on Quarry road, you have missed the turn)
- Stay on the road for approximately 10 kms, driving through the small suburb of **Kielvale**, up a steep hill, over the top of the hill, then winding down the hill, as the road flattens out,
- Pass the **Palmvale Road** intersection on your right, then approx. 2kms on your left is **Woodfords Road**, (if the road you are travelling on, **Reserve Creek Road**, turns to unmade road, you have missed our road by 500 metres.)
- Turn left into **Woodfords Road**.

- Travel 900 metres up the road, driving over the creek crossing, you will then arrive at a T intersection, (which is still **Woodfords Road**)
- Do not turn left, do not turn right, directly in front of you will be a large gum tree and just to the right of it a gate with a sign with the number **78** and my **Fairy Logo** on it.
- If you arrive early for your appointment, please **Do Not** drive through my gate and down my driveway until **5 minutes** before your appointed time. Please wait in your car, up the top near the gum tree to the left of our driveway, and then drive down my driveway **5 minutes** before your time. I have buzzers and cameras and will know you are there, so please wait in your car and I will come out and greet you.
- I ask again, that you please print these directions off, as Navman's or other GPS devices, may take you to blocked roads around here, and you will not be able to contact me for directions.

Magical Blessings, 

Rhonda.
